NO. 5034 CHAIN & CABLE LUBRICANT

PENETRATES

LUBRICATES

FORMS RUST PROTECTIVE COATING

(20-ounce aerosol can, 18 oz. net wt.)

DESCRIPTION:

5034 AEROSOL CHAIN & CABLE LUBRICANT provides constant lubrication, even in hard-to-reach areas. Penetrates into the core of wire or hemp type cables. Flows freely into chain links. Spray on Chain & Cable Lubricant and it dries to a smooth semi-greasy oil.

Penetrating action prevents dripping on slow speed or idle chain. Will not throw off. Use indoors and outdoors. CHAIN & CABLE LUBRICANT is unaffected by severe temperature changes. Provides constant lubrication permitting smooth running chain & cable. Can withstand extreme pressure without breaking down.
